

## Generic COVID-Safe Program rules

### Participant guidelines (8.12.2020)

**To be attached to all enrolment forms and must be signed and returned by all participants in face to face programs**

1. You must enrol in the program prior to attendance and complete the form & sign the guidelines
2. Masks must be worn at all times in accordance with current State Government regulations.
3. You must sanitise hands thoroughly before entering the program and as needed during the activity
4. Sign in and out at the beginning & end of each class/workshop/activity (or be signed in & out by staff)
5. You must keep to 1.5 metres distance during your program. No handshaking or other contact is permitted
6. You must not attend your program if you or anyone in your household has cold or flu symptoms.
7. If you have symptoms you must get a COVID test and be cleared before you can return to your program
8. Any COVID positive test results must be reported to your groups leader immediately

I agree to abide by the following guidelines:
